

Sex Coach Training with Dr. Bridget M. Finn

THE ART OF INTEGRATING SEX COACHING INTO YOUR PRACTICE

A Virtual VIP Half-Day Intensive for Coaches, Therapists, Counselors, and Healers

Sex Coaching is a conversational process and practice that takes place within the broader context of your client's life — and it requires **specialized training**. This 3-hour private intensive with Dr. Finn is your **first step** to acquiring the confidence, knowledge, and resources you need to **start integrating sex coaching** into your practice **NOW!**

WHY ADD SEX COACHING TO YOUR PRACTICE?

- **MEET DEMAND.** There is an unprecedented demand for you as a coach, therapist, or healing practitioner to include sex coaching in your business. People **want** help with their sexual health and lives and are **spending billions of dollars** to get it through coaching, therapy, and self-help genres.
- **GROW YOUR REVENUE.** Add a **new, profitable, in-demand income stream** to your business. Sex coaching is a **unique and highly valuable niche** within the coaching, therapeutic, and healing professions. The **financial rewards** for expanding your practice to include sex coaching are substantial.
- **ENHANCE YOUR MARKETABILITY.** Create a name for **yourself as a specialist** in one of the **fastest growing niches** in the coaching and therapy professions.
- **FURTHER ENGAGE CLIENTS** Sexual health, pleasure, and intimacy are important aspects of **the human experience** and are intimately woven into **your** client's **overall** life, health, and well-being. Integrating sex coaching leads to **holistic transformation** for your clients. And isn't that what we are going for? When **conversations about sexual health and intimacy** are absent from the coaching and therapeutic experience, we lose the **whole person** whose **whole life** we are working to support and enhance.

Contact Dr. Finn for all the information you need about the virtual VIP half-day Sex Coaching Intensive. Get started on your journey to Integrating Sex Coaching into your practice TODAY.
